## Christmas Outreach

DECEMBER 17-22

This year, the GSSM Christmas outreach will take place in a small village in Uganda called Kiteza in the Buikwe district just outside of Lugazi, about a 3 hour drive from Kampala, the capital. About 2,000 call this village home. This particular village is where Ebenezer Team member David Lusuku lives and where he has initiated a sports ministry program. David's goals include strengthening his relationship with the community, planting a village church and building a school, both of which do not exist in his village.

In December, the GSSM team will arrive in this village led by Barnabas Mwesiga, our African Director. In addition to some members of GSSM's staff and several Global graduates, a number of our current students in training will be involved as part of their hands-on practicum.

David Lusuku will lead the way as our team will clean up the village, repair homes of the elderly, dig gardens for those unable to do so, deliver Family Food Packs and Kid's Kits to the poorest of the poor, play a soccer match with the village soccer team, organize games for the children and to top it off, the entire village will be invited to a Christmas dinner sponsored by GSSM. During the dinner the Christmas story and the Gospel will be presented.

This outreach is unique in that it not only supports David in his ministry, but it also allows our students to participate in a practical way and carry out all that they are learning through the GSSM course. And most importantly is the declaration of God's Word and the evangelism of the Gospel of Jesus.

Would you join us in PRAYING for this upcoming event? Pray for safety, that God would open the hearts of the community members to whom the GSSM team will minister, and for our students who will go boldly in the name of Jesus proclaiming the Good News of our Savior.

We would also ask you to consider joining us in providing in the following ways for without your loving help, none of this would be possible!
