GLOBAL SCHOOL OF SPORTS MINISTRY

APRIL 2014

Learning by Doing: Easter Outreach Plans Underway

- Major Outreach
- GSSM Students involved. Part of training program.
- Potential to reach hundreds for Christ and “Plant” new sports ministry programs.
- Kabale, Uganda tentatively targeted. Near borders of Rwanda and Congo. Both countries projected for involvement in GSSM training.
- Barnabas Mwesiga, GSSM’s African Director, will spearhead outreach. Students from Kabale and other regions will participate.

GSSM's

Van/Mobile Classroom Arrives

- Long awaited, refurbished van from Japan now in service.
- Will transport students, Doves F.C. to remote places to share Gospel, provide “hands on” training, conduct seminars and workshops.

CLUSTER LEARNING to be introduced in FALL

- GSSM's unique cluster learning program will be tested with selected students entering program in September.
- Cluster learning involves a team approach to our online training program.
- Clusters of 3 work together, answer each question from GSSM's lessons, discuss strategies, plan outreaches, initiate an ongoing program through their local church, establish sports ministry programs in nearby communities and beyond.
- Qualified graduate students become trainers of others.

FINALLY...

Thank you for standing with us as we equip more and more leaders to go into the harvest fields of the world. Your prayers are critical; your support essential. Thank you for helping as God leads and enables you.

Blessings!
