Christmas in the SLUMS

GSSM STUDENTS TARGET A PAIR of Ugandan Slums for Christmas Outreach

- Over 350 children will be involved; will experience their very first Christmas Party.
- Games, gifts, a special meal and the Christmas story will all be part of the celebration.
- **Family Packs** containing food and other basic necessities including a Bible will be given to some of the poorest families.
- Neediest children will be awarded **Kids Kits** filled with clothing, a toy, sweets and Christian literature.

- GSSM students will also help clean up the slums, repair homes of the elderly, visit the sick and dying, and conduct sports clinics and tournaments as part of the community service component required by Global's training program.

HELP NEEDED

- ✓ This program is a huge undertaking. Scores of lives will be touched with the life-changing message of Jesus Christ.
- ✓ While participating in this outreach, GSSM students will gain valuable experience as they prepare to go into the harvest fields of the world.
- ✓ The majority of the slum population being targeted are Muslim. However, Jimmy, one of GSSM's graduates, is changing this as he demonstrates Christ's love in powerful ways. This incredible love is breaking down the barriers...and lives are being transformed.
- ✓ Greatest need: Prayer...serious prayer, fervent prayer.
